

STAR COMPUTERS - DESKTOPS

ENDEAVOR XL / ORION XL

- PENTIUM 4 WITH HT TECHNOLOGY
- DO MORE IN LESS TIME
- EXPANSION OPTIONS

The Endeavor XL / Orion XL has all the flexibility of our most popular chassis but with the new Pentium 4 HT (Hyper-Thread Technology). This will let you do more things at once faster than ever before.

Powerful Intel HT Technology

Desktop systems that have the Intel® Pentium® 4 processor with HT Technology break new ground by combining world-class frequency with Hyper-Threading Technology to provide an extraordinary computing experience.

Multitask Like Never Before

Running at speeds up to 3.20 GHz, the Intel Pentium 4 Processor with HT Technology gives you the best overall Pentium 4 processor performance available. Hyper-Threading Technology helps your PC work more efficiently by maximizing processor resources and enabling a single processor to run two separate threads of software simultaneously. The result is greater performance and system responsiveness when running multiple applications at once.

Power to Do More Tasks on Your PC At Once

Play a game while encoding digital music or editing digital video.

Manage more filters, transitions, special effects, and media types at once when editing home movies.

Turn your PC into a recording studio by simultaneously recording, mixing and copying original instrumental analog input, which can be saved in CD, DVD or MP3 audio formats.

ENDEAVOR XL / ORION XL - FEATURES

- Front USB 2.0
- Air duct design for High speed processor
- Support for Intel Pentium 4 Processor
- Tool-less peripheral attachment
- Tool-less cover removal for easy service and upgrades

STAR COMPUTERS - DESKTOPS

Endeavor XL

With Pentium 4 Hyper-Thread Technology

Available in Black & Silver or Beige

The Endeavor XL has all the flexibility of Star's most popular Endeavor chassis but with the new Pentium 4 HT (Hyper-Thread Technology). This will let you do more things at once faster than ever before.

	FEATURES	STANDARD	OPTIONS
CHASSIS & POWER SUPPLY	ATX 300 watt	MidTower 17.5" x 19" x 7.5"	2-3.5 and 4-5.25 bays 2-1" Hard Drive Bays
MOTHERBOARD	INTEL MB D865G		
PROCESSOR	Intel	Intel Pentium 4 HT Processor	
MEMORY	DDR DIMM 400MHz	256 MB	Up to 4 GB
HARDDRIVE	IDE Western Digital	40 GB	Up to 200 GB
CD-ROM	52 Speed	52 Speed	DVD, CD-RW
VIDEO	Onboard	4X AGP	32MB TNT2 or All in Wonder 128 Pro, 64MB GeForce 2MX
AUDIO	Onboard	Intel AC'97 Compliant 18-bit Stereo Codec	
NETWORK	Onboard	10/100 Mbps	1000 Mbps
OS	Installed incl. books and CD's	Win. XP Home	Win. XP Pro
KEYBD, MOUSE	Keytronic 104 key keyboard, Logitech 3 button PS2 mouse		

Monitor sold separately. Specifications subject to change without notice.

Orion XL

With Pentium 4 Hyper-Thread Technology

Available in Black & Silver or Beige

The Orion XL features Intel's powerful Pentium 4 HT (Hyper-Thread Technology) and fast DDR. Built-in audio & NIC and powerful video options make this the ideal graphic arts computer.

	FEATURES	STANDARD	OPTIONS
